Hazardous substances - Statement of compliance

Confirmation

Dahrén Sweden AB can confirm that all delivered material meets the EU Regulation 2019/1021 (POP) after September 2022. Also the U.S. Environmental Protection Agency (EPA) published final rules from January 6, 2021 under Toxic Substances Control Act (TSCA) Section 6(h) as none of the restricted five persistent, bio accumulative, and toxic (PBT) chemicals are contained in the material. All enamelled wires and the packaging used for them are free from PFAS, Halogens or substances stated in European RoHS 2 Directive 2011/65, RoHS 3 Directive 2015/863/EU as well as for REACH updated SVHC list of June 25, 2025.

Best Regards,
AB Dahréntråd AB
